

27J SCHOOLS

Requirements for High School Graduation Class of 2021+

1

College and Career Plan

What will you do after graduation? Will you enroll in college or university? Enlist in military service? Or perhaps begin your path to career success seeking employment? No matter what path students choose - College, Career, or Military Service, high school graduation begins with a plan in Infinite Campus called the Multi Year Academic Plan (MYAP). MYAP allows students to choose an academic pathway up to four years in advance of graduation and then track their progress towards graduation in real time.

2 Course Requirements

A minimum of 46 semester credits are required for graduation.

Subject Area Requirements	Semester Credits
Career and Technical Education	2
Economics	1
Electives	13
English Language Arts	8
Health	1
History	4
Humanities	2
Math	6
Physical Education	2
Political Science	1
Science	6
Minimum Graduation Total	46

College Ready

Students interested in attending a 4-year college should plan to take Integrated Math 3 and four credits of a World Language. Additionally, to be college-ready, students are highly encouraged to take an **Advanced Placement** or college course as well as complete a career pathway and earn an Industry Certificate.

Career Ready

Students interested in a career-ready focus should plan to take 6 credits in a career pathway, earn an **Industry Certificate** or take an **AP** or **college course**. This provides students with opportunities to be both college AND career ready!

3

College and Career Ready Demonstration

Students must complete one measure of career and college readiness in English Language Arts **and** one in Math.

	English LA	Math
SAT Score	470+	500+
Advanced Placement (AP)	2+	2+
Concurrent Enrollment (CE) College Course	Passing grade college level English, Literature, or Communication course	Passing grade college level Math course
Military Service: ASVAB	AFQT Score 31 will fulfill both English LA and Math Demonstrations	
Industry Certificate	Industry Certificates will fulfill both English LA and Math Demonstrations.	

The Colorado Department of Education has approved additional optional demonstrations. 27J Schools will accept most state approved College and Career Ready Demonstrations which demonstrate achievement at or above grade level. See your counselor for details.
