4. On your home screen you should see the list of assignments you have coming up if you have one.

5. If assignments do not show up here, you can click on assignments to get a more complete list. You can sort by type, teacher, class, or due date.

All Assignments	Completed	Past Due
Shows assignments with a due date that has not passed and have not been turned in by the student.	Shows assignments that have been turned in by the student.	Shows assignments that have not been turned in by the student and are now late. These will be shown as a missing grade in Infinite Campus.
