

27J Bond Program Update

School Construction Bond hits 3 year mark! **Projects build & renovate 27J schools**

27J voters approved a School Construction Bond for \$248 million three years ago this month. The 2015 Bond has funded projects to build new schools, renovate and improve school buildings and District facilities across 27J boundaries. Here's a list of completed school projects.

2016

- Brantner Elementary expansion
- Brighton Heritage Academy renovations for Phase 1
- Bromley East Charter expansion
- Eagle Ridge Academy expansion
- Interoperable radio system install
- Construction started at Riverdale Ridge High School
- Artificial turf fields installed at Brighton High, Prairie View High and South Elementary School
- Exterior caulking at Henderson, South and Southeast elementary
- Masonry waterproofing at North, Thimmig and Turnberry schools and 27J transportation facility
- Ramp replacements at Pennock and Thimmig elementary schools
- Internet bandwidth expansion
- Climate control upgrades
- Sidewalk and concrete replacement

Overland Trail Middle School has a new look. An expansion has been built on to the school and new signs are up.

Quist Middle School construction started in June and will be finished in 2020. Pictured is the gym being built.

2017

- Reunion Elementary opens
