How can I prepare my child for kindergarten?

Academic:

Correctly holds the pencil, uses scissors correctly, knows the names of the letters, writes name with only the capital in the beginning, recognizes their name, can count to 10 and knows the difference between numbers and letters.

How can I prepare my child for kindergarten?

Social/emotional/life skills:

Takes turns, can sit and listen for more than 5 minutes, can work independently on a task, can tie their shoes or wear shoes without laces, can put on, zip and unzip their jackets independently, can independently use the public bathroom, and can ask for help when needed.

Questions?
